Application Pack and Job Description
Dawlish College
Teacher of Maths

Dawlish College
Teacher of Maths
Required from September 2024

At Dawlish College, our mission is to eradicate educational disadvantage in Dawlish by making the best education available to every child in our community.

We work towards this mission by living out our three values – *We Work Hard, We Work Together* and *We Make Things Better* – every single day. This includes starting each day with a Warm Welcome for every pupil and fostering a strong community spirit among our staff.

One of our 'new recruits' from this September says:

"I've always felt really welcomed from the minute I got here – after about a week it felt like I'd been here forever. It feels like a little family here!"

Miss W – ECT Year 2 Science Teacher

We will provide you with the right environment to build strong, trusting relationships with pupils and colleagues and the entitlement to become a better practitioner – every lesson, every day. This includes a bespoke CPD programme that features in-house deliberate practice and coaching with Steplab alongside participation in recognised national programmes such as Dylan William's *Embedding Formative Assessment* and the Youth Endowment Fund and Home Office's programme to build trauma-informed practice.

Does that sound like the job for you?

Ivy Education Trust is seeking to appoint an enthusiastic individual with drive, passion and creativity to join the Maths department at Dawlish College in the next stage of its development. Your challenge will be to teach outstanding and interactive lessons across different topics within the department, leading to high levels of student progress.

Are you:

- an inspirational, dedicated and forward-thinking classroom practitioner?
- able to deliver targeted lessons up to and including GCSE?
- committed to raising standards?
- creative, enthusiastic and committed to active learning?

You will:

- demonstrate excellent planning and organisational skills
- be able to enthuse and motivate all students
- have incredibly high expectations
- be an excellent team player
- believe that all students are capable of success.

If you think you can make a difference to our students and relish the idea of joining our successful, supportive and highly motivated team in the delivery of an excellent education, then we want to hear from you!

Please see the job description and person specification for further details regarding this post.

The Ivy Education Trust works closely with all schools within the Trust and beyond. The Ivy Education Trust celebrates the diversity of each of its schools and is founded upon the alignment of vision and values that we all commonly hold to secure the best outcomes for our pupils.

The Ivy Education Trust is committed to providing a broad, balanced and ambitious curriculum in all its schools so all children and young people develop the character and qualifications needed to open doors to their future success. A strong focus on developing and providing inspirational teaching and leadership in all schools, through school-to-school improvement, ensures outstanding progress and educational enjoyment for all members of the partnership's community.

The unique character of each school is celebrated and nurtured to ensure choice and variety in educational provision. The Trust is determined that all children should be able to attend a good or better school regardless of where they live.

Our mission is to improve life chances for every child and young person we serve, through broadening their opportunities and enabling them to reach their full potential. We support and all members of our learning community to dream big, aim high, and achieve more than they ever thought was possible. If you share these visions and aspirations, then we very much welcome your application for this post.

Job Description

Post Title:	Teacher of Maths
School:	Dawlish College
Salary Grade:	MPS/UPS
Contract Type:	Permanent from September 2024
Responsible to:	Raising Standards Leader for Maths

Context

All Teaching Staff are expected to meet and demonstrate the relevant National Standards for Teachers found on the following link:

https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/283566/Teachers_standard_information.pdf

MPS teachers are expected to contribute towards the creation of departmental schemes of work and assessment methodologies from the end of their ECT year (with some experience of doing this within the ECT year)

Purpose

To deliver the highest quality of Teaching & Learning through being an effective teacher who challenges and supports all students to achieve their best by:

- Inspiring trust and confidence in students and colleagues
- Building team commitment amongst students and colleagues
- Engaging and motivating students
- Thinking analytically
- Taking positive action to improve the quality of students' learning

Main Duties

- To maintain a thorough and up-to-date knowledge of the teaching of Maths and to take account of wider educational developments relevant to your work
- To plan lessons and sequences of lessons to meet the individual, personal and academic developmental needs of students and so build their capacity as independent learners
- To teach and contribute to the College's Co-Curricular programme according to College policy
- To alert appropriate staff to problems experienced by students and to make recommendations as to how these may be resolved
- To use a range of appropriate strategies and follow College policies for teaching, behaviour management and classroom management
- To use and analyse information based upon prior attainment data and benchmark examination performance data to establish and set expectations, targets and action plans for students in your teaching groups
- To assess, monitor and record progress of students in your teaching groups; giving them constructive feedback and advice
- To enable students to achieve well relative to their prior attainment and to make progress as good or better than similar students nationally
- To communicate and discuss students' progress with parents and, where appropriate, to communicate and cooperate with persons or bodies outside the College

- To follow agreed policies for communications in the College
- To take part in marketing and liaison activities, such as Open Evenings, Parents' Evenings, review days and liaison events with partner Schools/Colleges, and to contribute to the development of effective subject links with external agencies
- To engage actively in the College's Performance Management review process
- To take responsibility for your own Professional Development within the context of the College's Continuing Professional Development policy, and use the outcomes to improve your teaching and your students' learning
- To make an active contribution to the development of the College's policies, including team development plans and the overall College Improvement Plan
- To contribute to the process of College Self-Evaluation as it relates to College Improvement and Ofsted requirements, taking full account of quality standards and performance criteria
- To take account in all aspects of your work the Every Child Matters agenda
- To ensure the effective and efficient deployment of classroom support while working as a member of a designated team and contributing positively to effective working relations within the College
- To cooperate with colleagues to ensure a sharing and effective use of resources to benefit the College, department and students and inform the process of ordering and allocation of equipment and materials by assisting the team leader(s) in resource management.

College Ethos and Culture

- To conduct oneself in a manner befitting a teacher at all times, ensuring behaviours that display positivity to others
- To make maximum use of opportunities to generate a culture of celebration and praise amongst the staff and students of the College.

Other Duties

- To support the achievement of the College's objectives by working proactively with colleagues on projects or activities outside direct area of responsibility as required
- To follow the College's ICT policy for safe use of ICT
- To be aware of and assume the appropriate level of responsibility for safeguarding and promoting the welfare of children and to report any concerns in accordance with the college's safeguarding policies
- To place the safeguarding of all children in the college as the highest priority
- To comply with legislation, policies and procedures relating to confidentiality and data protection, reporting any concerns to the appropriate person
- To work in compliance with the Codes of Conduct, Regulations and policies of the College and its commitment to equal opportunities
- To comply with the College's Health & Safety policy and statutory requirements as detailed in the Health & Safety at Work manual
- To undertake any other duties not detailed above as specified in the School Teachers' Pay and Conditions document.

This is not an exhaustive list of duties; they may be varied from time to time without changing the general character of the job or the level of responsibility. A high degree of flexibility and adaptability is an important element of this role.

This is a description of the role as it is now. We periodically examine employees' job descriptions and update them to ensure that they reflect the job as it is then being performed, or to incorporate any changes being proposed. We aim to reach agreement on reasonable changes, but if agreement is not possible, we reserve the right to insist on changes to your job description after consultation with you.
